

CAMP MOHAWK

'A place for children and young people with special needs.'

Camp Mohawk is a multi-functional day centre for children with special needs, set in 5 acres of beautiful countryside, just outside Wargrave, Berkshire. Throughout the year the centre provides a range of activities, facilities and natural space to encourage children with a variety of special needs to play, socialise and learn in a secure and caring environment.

Our vision is for children and young people with special needs arising from physical or developmental disability to receive the support necessary to realise their full potential as valued individuals, with their disability being openly understood, accepted and provided for without prejudice or judgement.

Camp Mohawk provides a 'safe haven' with both indoor and outdoor facilities where children and young people with special needs and their families can come to relax, play, develop social skills and build their self-confidence in a positive and uplifting environment that accepts and welcomes them all.

We provide the children and young people with stimulating workshops, sensory and social activities that are led by experienced enthusiastic staff and carefully designed to address the common developmental requirements of children with special needs.

We also provide their families with some short term respite, a support network and friendly advice. Both our centre and approach works sympathetically with the challenging behaviour that often accompanies disability in young people. We provide this support for families in all school holidays except Christmas, plus some evenings and weekends, and also liaise locally with special needs schools and support groups.

Support in whatever way you can

Volunteering

Time is one of the most important things that people can dedicate to us and we are always looking for volunteers to help at Camp Mohawk. There are many ways by which you can dedicate your time; we have opportunities for people to help play with children when we are open during the holidays; or to come and help Matt look after the site during term time. Fundraising

As a charity we are always looking at ways to raise funds and we are always extremely grateful for public support as it is always a huge help, especially in times of austerity. We have many ways by which you can help us through individual fundraising events, or alternatively you can join in our annual Friends of Camp Mohawk (FoCM) fundraising events. Friends of Camp Mohawk (FoCM)

The Friends of Camp Mohawk (FoCM) is a close-knit group of individuals who want to support Camp Mohawk. They do so by organising and attending annual fundraising events, helping to promote Camp Mohawk within the local area, and by inviting more members to join the FoCM team. If you would like to join the ever-growing FoCM then please contact the Committee Chairman Chris Stillman by emailing chris.stillman@campmohawk.org.uk. Corporate Social Responsibility Programme

We work with our corporate supporters by holding meaningful and helpful Corporate/Community Days where staff of our supporting organisations can come up to Camp Mohawk for the day to help create, develop and maintain elements of our site. Group numbers can range from 4 - 60 and Matt will be on hand throughout the day to ensure that everything runs like clockwork. These days help to not only benefit the children who attend our site, but also help to build team relationships within our supporting organisations.
