

## **THE HENLEY MAGAZINE IS WRITTEN FOR RESIDENTS AND VISITORS – PLEASE COMPLETE THIS SURVEY – IT TAKES JUST 5 MINUTES ...**

The Henley Magazine has been written by Henley Town Council and produced by Round & About Publications since 2014 – the format has remained largely the same. It is now time to ask you – the residents – whether you would want to keep this Magazine; whether you would prefer investing in a better Town Council website; or whether you would prefer a different format and more of a newsletter?

The Town Council has a duty to communicate with residents, businesses and visitors. However there are lots of ways of communicating – it is finding the best way to keep you informed.

We would be very grateful if you could complete the short survey below. The responses from this survey will help the Town Council decide whether this magazine is the best way to contact you – and whether it is value for money.
