Sliding Scale of Charges for Non-Henley Residents

The charges are as for a resident where the deceased died up to 2 years of leaving Henley.

The charges are double those of a Henley resident where the deceased died between 2 – 5 years of leaving Henley.

Where the deceased died more than 5 years after leaving Henley the charges are triple those of a Henley resident.

Residents of Bix and Assendon Parish to be charged the Henley Resident rate plus 25%

Definition of a Henley Resident

Deceased's principal private residence (as defined by HMRC) is within the Henley Town Council municipal boundary.

Deceased is Henley Town Council precept payer within last year of date of death prior to residing in nursing home/hospital.

Deceased's principal private residence (as defined by HMRC) within the year preceding the date of death is within the Henley Town Council municipal boundary.

Deceased's last place of residence, including nursing homes, sheltered accommodation and other communal accommodation (not hospital) is within the Henley Town Council municipal boundary

Deceased is an under 18-year-old dependent of Henley Town Council precept payer or person whose principal private residence (as defined by HMRC) is within the Town Council municipal boundary.

Deceased is an under 25-year-old dependent, in full time education, of Henley Town Council precept payer or person whose principal private residence (as defined by HMRC) is within the Town Council municipal boundary

Note: Principal private residence will also be where the deceased actually lives for the majority of any year and has actually done so in the year preceding death.
