

# **HENLEY AMATEUR OPERATIC AND DRAMATIC SOCIETY**

Henley Operatic is a society which produces 2 musical stage shows per year which are performed at The Kenton Theatre, Henley on Thames. We also have our own rehearsal studio which we stage concerts and plays throughout the year. It is also a social society with lunches, concerts and many other events arranged through the year. Apart from performing, there are many different roles which our members get involved with. Back stage, technical, lighting, front of house, administration, organising fund raising events.

It is very much a community society with many different people from many paths of life who enjoy the theatre.
