

Henley Twinning Associations Calendar For Autumn 2018

Spinning and Craft Group

This is an informal, friendly group of craftspeople, who bring along whatever they are currently working on and are happy to share their expertise. We have spinners and knitters (English and German style), but any textile-related craft is welcome. We meet in the Margaret Day room of the Kings Road Barn from 7.30pm to 9.30pm. The room is warm and light and there is plenty of room to spread out and lots of table space. Access is via the Waitrose car park. So whether you have got stuck with something and need help or just want to spend some time with like-minded people, come along and join us! All are welcome.
