

REGATTA FOR THE DISABLED

Regatta for the Disabled is a wonderful opportunity for children and adults with a disability to enjoy a great variety of land and river based activities they would normally consider unavailable to them:

- Rivertime -equipped with a ramp and a lift for wheelchairs.
- Open launches - walk or carry on to stable boats.
- NEW - Bell Boat in which you can paddle along with friends in a stable environment.
- Bell Boat Racing - enter a team and have fun! Novice or done a bit before there will be instruction and help on hand to get the best out this!
- Punch & Judy - by Professor Moon.
- Climbing wall - takes wheelchairs! Plenty of help to reach that target!
- Millers Ark animals - come and meet friendly sheep, goats, rabbits and much more!
- Face painting.
- Craft stall - have a go at jewellery making etc.
- Rowing machines - have a go on an Ergo.
- Hot & cold food and drinks, beer and Pimms!
- Live band!
- Sideshow.
- And much more!

How to get involved

Just a few hours a month from a handful of enthusiastic volunteers will make all the difference to this exciting local event.

We are currently looking for:

- People to help with handing out leaflets and putting up posters
- People to help with fundraising
- People to help with mail shots and general administration

On the next Regatta day we will need:

- Marshalls
- People to assist our disabled guests getting in and out of the vessels
- Help with set-up and break-down
